The check or bond of the successful bidder shall be forfeited to the Borough as liquidated damages should they fail or refuse to execute and deliver the contract and bond required within ten (10) calendar days after being notified by the Borough that their bid has been accepted.

B-5 PREPARATION AND SUBMISSION OF PROPOSALS

The Borough reserves the right to waive any informalities in the bids or to reject any bid or all bids.

B-7 QUALIFICATIONS OF BIDDERS

The form and conditions of the bond and surety shall be acceptable to the Borough Attorney and shall be in an amount equal to the amount of the contract award.

In the event that a successful bidder shall fail or refuse to execute the contract or deliver the required bond then the Borough may, at its sole option, deem and declare that the contract has been abandoned, and the certified check or bid bond submitted with the proposal shall be forfeited to the Borough as liquidated damages. The Borough, at its option, may award the contract to the next lowest bidder or advertise for new proposals.

II. ADMINISTRATION OF THE CONTRACT

- A.** All work under this contract shall be completed in accordance with these specifications and to the satisfaction of the Borough Administrator. The Borough Administrator shall determine the acceptability and fitness of the work that is to be paid for hereunder. He shall also decide all questions which may arise as to the fulfillment of the terms of the contract by the Contractor or as to the intent and purpose of the contract, and specifications. The determination of the Borough Administrator in all of such matters shall be final and binding upon the parties hereto.
- B.** The Borough Administrator shall have authority to reject and shall reject any work or material, or any part thereof, which does not, in his opinion, conform to the plans, drawings, specifications and contract, and it shall be permissible for him to do so at any time during the progress of the work and until its acceptance.

III. OBLIGATION OF CONTRACTOR

The Contractor shall, at his own cost and expense, provide any and all labor, materials, tools, machinery, power, transportation, and whatever else may be required to complete the work and shall be solely responsible and answerable for the same and for the safe, proper, and lawful, maintenance and use thereof. The Contractor shall take such steps as may be appropriate to cover and protect the work from damage, and shall make good all damage to the same occurring before the completion of this contract. The Contractor shall employ only competent men.

The Contractor shall, at his own expense, wherever necessary or required, take precautions as may be necessary to protect life, property, adjacent buildings and structures, and shall be liable for all damages occasioned in any way by his act or neglect, or that of his agents, employees or workmen. He shall provide access at all times to private property.

IV. DEFENSE OF SUITS

In the event any lawsuit shall be brought against the Borough or any of its representatives or agents for or on account of the failure, omission or neglect of the Contractor or his subcontractors or his or their employees or agents to do and perform any of the covenants, acts, matters or things by this contract undertaken or to be done or performed by the Contractor or his Subcontractors, or his or their employees or agents, or for any injury or damage caused by the negligence or alleged negligence of the Contractor or his Subcontractors, or his or their employees or agents, the Contractor shall indemnify and save harmless the Borough and its representatives, agents and servants of and from all loss, cost, damage expense, judgment or decrees whatever arising out of such lawsuits.

V. PERMITS, LAWS AND ORDINANCES

The Contractor shall keep himself fully informed of all existing and current ordinances and regulations and Borough, County, State and Federal Laws in any way limiting or controlling the actions or operations of those engaged upon the work. He shall at all times observe and comply with all such valid and legally binding ordinances, laws and regulations and shall protect and indemnify the Borough and its representatives and agents against any claim or liability arising from or based on any violation of the same, and to take out and carry appropriate employer's liability insurance and public liability insurance.

VI. ASSIGNMENT OF CONTRACT

The Contractor shall have no right or power to assign this contract, in whole or in part, nor to assign any right arising or moneys due or to grow due thereunder, without formal approval of the Borough.

VIII. COMPLETION OF WORK BY BOROUGH

If the work to be done under this contract shall be abandoned by the Contractor, or if this contract shall be assigned, or the work subcontracted by him, otherwise than as herein specified; or if at any time the Borough Administrator shall be of the opinion, and shall so certify in writing to the Borough, that the Contractor is willfully violating any of the conditions or covenants of this contract, or of the specifications, or is executing the same in bad faith or not in accordance with the terms thereof; or if the work be not fully completed within the time named in this contract for its completion, or within the time to which the completion of the contract may be extended by the Borough, the Borough may notify the Contractor to discontinue all work, or any part thereof under this contract, by a written notice to be served upon the Contractor, as herein provided; and the Contractor shall, within five (5) days of the service of said written notice, discontinue the work, or such part thereof, and the Borough shall thereupon have the power to contract for the completion of the contract in the manner prescribed by law, or to place such and so many

persons as it may deem advisable, by contract or otherwise, to work, and complete the work herein described, or such part thereof; and to procure other materials and equipment for the completion of the same and to charge the expense of said labor and materials to the Contractor. The expense so charged shall be deducted and paid by the Borough out of such moneys as may be due or may at any time thereafter grow due to the Contractor under and by virtue of this contract, or any part thereof. And in case such expense shall exceed the amount which would have been payable under the contract if the same had been completed by the Contractor, the Contractor or his surety shall pay the amount of such excess to the Borough; and in case such expense shall be less than the amount which would have been payable under this contract if the same had been completed by the Contractor, the Borough shall pay such difference to the Contractor. The provisions of this paragraph are without prejudice to any remedies available to the Borough under the Contractor's Performance Bond.

IX. CLAIMS FOR LABOR AND MATERIAL

The Contractor shall indemnify and save harmless the Borough from all claims for labor done under this contract, or any alterations or modifications thereof, and shall furnish the Borough with satisfactory evidence, when called for by it, that all persons who have done work under this contract, for which the Borough may become liable under the laws of the State of New Jersey, have been fully paid or satisfactorily secured, and in case such evidence is not furnished, an amount necessary or sufficient within the discretion of the Borough to meet the claims of the persons aforesaid shall be retained, in addition to any other moneys that are to be retained, as herein specified, from the money due the Contractor under this contract, until the liabilities aforesaid shall be fully discharged or satisfactorily secured. The provisions of this paragraph are without prejudice to any remedies available to the Borough under the Contractor's Performance Bond.

XII. LIABILITY OF CONTRACTOR FOR EMPLOYEES

Each and every employee of the Contractor, and each and everyone of his Subcontractors engaged in the said work, shall, for all purposes, be deemed and taken to be the exclusive servants of the Contractor and not for any purpose or in any manner in the employment of the Borough. The Contractor shall in no manner be relieved from responsibility of liability on account of any default or delay in the execution of said work, or of any part thereof, by any such employee, or any such subcontractor, or any material men, whatsoever.

XIII. NO WAIVER OF RIGHTS

No certificate given or payment made under this contract, except the final certificate or final payment, shall be evidence of the performance of the contract either wholly or in part, and no payment shall be construed to be an acceptance of defective work. No act of the Borough or of the Administrator, or of any representative of either of them in superintending or directing the work, nor any extension of time for the completion of the work, shall be regarded or taken as an acceptance of such work or any part thereof.

XIV. VERBAL STATEMENTS NOT BINDING

It is understood and agreed that the written terms and provisions of this agreement shall supersede all prior verbal statements of the Borough Administrator or other representatives of the Borough, and such statements shall not be effective or be construed as entering into or forming a part of, or altering in anyway whatsoever, the written agreement.

XV. CLAIMS FOR DAMAGE

- A. No claims of any description for damages or delays caused by the work or negligence of other contractors will be allowed for extension of time of completion. Allowance will be made, however, provided that in the opinion of the Administrator the delays of other contractors, public utility corporations, and other public or private parties, have actually delayed completion, and further provided that the Contractor has complied with those sections of the contract documents governing progress of the work, time of completion, and extension of time.
- B. Any claim for damages or delays for other reasons shall be preceded by a written notice to the Borough Administrator within five (5) calendar days of the date of occurrence of such alleged damages or delay, setting forth the facts and basis of claim, and all records and costs shall be presented within thirty (30) days after such damage or delay has ceased.
- C. Any adjustments in the Contractor's compensation, or agreements made by the Borough Administrator, if accepted by the Contractor, shall be in lieu of further claims for damages and extensions of contract time.

- D. Concurrent claims for contract time extension will be adjusted by the Borough Administrator, who will be sole judge of the overall delay caused by such concurrent claims.

- C. The rate of wages for all laborers and mechanics employed by the Contractor or any subcontractor on the work covered by this contract shall be not less than the prevailing rate of wages for work of a similar nature in the Borough of North Caldwell. In case any dispute arises as to what are the prevailing rates of wages for work of a similar nature applicable to the contract which cannot be adjusted by the contracting officer, the matter shall be referred to the Commissioner of Labor for determination, and his decision shall be conclusive on all parties to the contract (N.J.S.A. 34:11-56.27). If this provision is not complied with, the contract shall be voidable at the instance of the Borough pursuant to N.J.S.A. 34:11-56.27.

No person or corporation other than the signer of this contract as Contractor now has any interest hereunder. Neither the Borough, nor any employee or agent thereof, shall be liable or be held to pay any money, except as hereinbefore provided. The acceptance by the Contractor of the last payment shall operate as and shall be a release to the Borough and every representative and agent thereof, from all claims and liability to the Contractor for anything done or furnished for, or relating to the work, or for any act or neglect of the Borough, or of any person relating to or affecting the work.

XVIII. INDEMNIFICATION

The Contractor shall indemnify, hold and save harmless the Borough, members of its governing body and other officers, as well as the Borough Administrator and his representatives, of, from and against all loss, injury, and damage to person or property in whatever form by reason of, arising out of, or in connection with this contract or the contract documents, or the failure or neglect to keep, observe or perform any of its terms, covenants, agreements, provisions or conditions, the aforesaid being in addition to any other right or remedy which the Borough may have against the Contractor in law or equity or otherwise. The above indemnity shall include, but is not limited to, reimbursement of legal fees and expense.

The Contractor covenants and agrees that, anything in this contract or in the contract documents to the contrary notwithstanding, or regardless of any matter, thing, contingency, or condition unforeseen or otherwise, present or future, the Contractor shall not be entitled to receive any additional or further sums of money than the amounts in said contract documents provided; and the failure of the Borough to insist upon strict performance of any of the terms, covenants, agreements, provisions, or conditions in this contract or in the contract documents, on any one or more instances, shall not be construed as a waiver or relinquishment for the future of any terms, covenants, agreements, provisions and conditions, and the same shall be and remain in full force and effect with power and authority on the part of the Borough to enforce the same or cause the same to be enforced at any time, without prejudice to any other rights which the Borough may have against the Contractor under this contract or the contract documents.
